Consignment and Donated Items:

1. Items are expected to be in good & clean condition. The Second Hand Shop will decide if items are in acceptable condition for resale. If you wouldn't buy it please do not place your item for resale.
2. **Damaged or poor quality items will be given to charity. These includes stained, torn or items with holes in them.**
3. Only current uniform items are accepted for sale. Obsolete, discontinued and old style items may be handed in and will be distributed to charity.
4. We cannot accept swimming costumes or socks/tights for re-sale.
5. Items for sale are priced at reasonable 2nd hand prices depending on the condition of the item.

Consignment Items:

6. Prices are set by the 2nd hand uniform shop which is always less than half price of the new priced item. I understand items may be reduced further dependent on the longevity of the consignment and at the discretion of the Second Hand Uniform Shop. For example New Blazer is \$260, Second Hand Shop price could be depending on condition \$130 and the consignee would receive \$65.
7. Items sold on consignment incur a fee of 50% of sale price per item (this covers storage, organisational costs and costs incurred in processing payments to consignees). Bank deposits payments will be sent to the consignee as soon as possible after sale of item
8. Items on consignment will be held for 3 years from date of acceptance by 2nd hand uniform shop. Should a consignee's item(s) be unsold after 3 years, after this time all items will be donated them to the Northholm Association.
9. All care will be taken but we do not accept responsibility for any items which "go missing". (This is very rare).
