Welcome to **Northholm Grammar**

Northholm Grammar has been welcoming families of Sydney's Hills and Hornsby Shires since 1983.

Northholm Grammar School's commitment began with a vision of a dynamic, caring school that would foster the worth of the individual, encourage academic and sporting excellence and promote Christian values. It is a family-centred school which looks upon its students, parents and staff as part of a community striving for a common goal.

Northholm Grammar delivers a distinctive education that offers a level of care, beyond that available at larger independent schools, where each child is known, respected, cared for and cared about.

Northholm Grammar's educational philosophy is firmly based on the principle of *academic intentionality with pastoral attentiveness.*

We seek to challenge every student by raising academic expectations and celebrating their 'growth' because we value the importance of achieving one's potential. At the same time, we value the maintenance of a pastoral character to an education, where children are engaged in the learning process and our delivery attends to the experience in a personalised way which achieves a holistic approach to their development.

The idyllic campus, nestled in natural bushland, is a hidden gem in Arcadia. Closely connected to the Hills and Hornsby Districts of northern Sydney, Northholm is situated on a picturesque 10 hectares which provides students with the space and opportunity to flourish. Northholm connects to Castle Hill, Hornsby, Galston, Berowra, Rouse Hill and more within an easy drive of 25 minutes or less. Bus services through Transport NSW link the School with surrounding suburbs, the Hills and Hornsby Shires and the Pennant Hills and Beecroft stations. In addition, Northholm operates a private bus service in the Kellyville/Rouse Hill and The Ponds area every morning and afternoon.

The following pages contain the bus services available to students commuting to and from Northholm.
